News Release

Grey Wolf Consulting announces the acquisition of our new onsite classroom facilities.

By Brian S. Williams – President / Chief Instructor, Grey Wolf Consulting, LLC

03 April, 2019

East Hampton, CT. – Grey Wolf Consulting announced today that they have recently acquired a mobile trailer which is currently being renovated and converted into an onsite classroom for use within the training programs offered through Grey Wolf Consulting at its outdoor training area located in Colchester, CT.

Grey Wolf is very excited about this addition to our facilities as it will allow for more time being devoted to practical training without the need to travel from the classroom to the range.

Grey Wolf expects the renovations of this trailer to be completed and in full use by June of 2019 and when completed will begin offering training programs offered at its East Hampton, CT. location onsite at its Colchester, CT. location.
